## Sole Source Letter

This letter is to provide notification that mangrove.org<sup>®</sup> is the sole source provider of Riley Encased Methodology<sup>®</sup> and REM Encasement Devices (Patents Pending) for mangrove afforestation, reforestation, habitat creation and restoration, shoreline stabilization and erosion control.

As a result of our investment in innovation (methodology, principles and processes, techniques, tools, protocols, documentation and educational programs) we have created a portfolio of intellectual property rights that include:

- Patents Pending
- Trademarks
- Copyrights

We are the only organization in the world with the unique technical competence, expertise, experience and proprietary technology in the manufacture and application of REM Encasement Devices.

Robert W. Riley, Jr.

President
